

On-Sell

WebFarm provides 2 easy ways to earn money through on-selling our products as an affiliate or as a reseller.

WebFarm offers you two ways to make easy money through on-selling our products. If you're looking to earn commission by placing a banner on your site, our Affiliate Program might be what you're after. Alternatively, if you're interested in keeping 100% profit, check out our Reseller Program.

Affiliate Program

Join WebFarm's Affiliate Program and get paid commission for domain names, email, web hosting and E-commerce products. It's easy! With the two trusted brands of Freeparking and 2day.com, you can offer customers, friends and family online services such as domain names and web hosting through 2day.com (Windows) and/or Freeparking (Linux). Each qualifying product registered through your Affiliate ID earns you commission of up to \$360.

Reseller Program

Join WebFarm's Reseller Program and offer clients Private Labelled Shared, Bulk and Dedicated Web hosting (both Linux and Windows), reseller Domain Name registrations, and Multi-Currency E-commerce payment services. WebFarm offers low pricing and flexible accounts to help web designers, developers, and integrators provide the best possible services to their clients.
